¹If an item drafted by you (such as a check) or a transaction you set up (such as a preauthorized transfer) is presented for payment in an amount that is more than the amount of money available in your account, and we decide not to pay the item or transaction, you agree that we can charge you a non-sufficient funds (NSF) fee for returning the payment. Be aware that such an item or payment may be presented multiple times and that we do not monitor or control the number of times a transaction is presented for payment. You agree that we may charge you an NSF fee each time a payment is presented if the amount of money available in your account is not sufficient to cover the payment, regardless of the number of times the payment is presented.

²Overdraft fee waived for individual items that are \$10.00 or less.

³Members 65 years of age or older or 18 years of age or younger are eligible for fee reductions as part of the 18/65 Law. Overdraft/NSF fees are reduced to \$5.00 per transaction. Please contact us if you qualify.
